

**"OK!"**

Know who your fellow Oath Keepers

To paraphrase General George Washington:

"The fate of unborn millions may now depend, under God, on the Courage and Conduct of this Army - *and* this Marine Corps, This Air Force, This Navy and the National Guard units of these sovereign states. The eyes of all our country men are now upon us, and we shall have their blessings and praises if happily we are instruments of saving them from tyranny meditated against them."

This effort can have a tremendous impact on courage and conduct.

Please join us. It's success depends up on you.

## OATH KEEPERS

Guardians of the Republic, honor your oath.  
Join us.

Join other police and military reaffirming their oath to defend the constitution

"To protect and defend the constitution against all enemies, foreign & domestic."

**I AM MY BROTHERS KEEPER**

## Our Goal

Our goal at Oath Keepers is to reaffirm the oath that we, as law enforcement and military take to protect and defend the constitution of The United States of America by clearly outlining 10 orders that WE WILL NOT OBEY!

Our oath is to the constitution, not to the politicians. We will not obey unconstitutional (and thus illegal) and immoral orders such as to disarm American people or to place them under martial law or to deprive them of the right to a trial by jury. We Oath Keepers have drawn our line in the sand that we will not "just follow orders"

## Why we felt a "call to duty"

There is an alarming trend of increasingly using active duty military in "support" or "observation" roles to assist civilian law enforcement. Our position is that the U.S. military should not be involved in any capacity in local law enforcement, not even in a supposed "support" role. Calling such involvement "support" is a very thin fig leaf to cover what is clearly a use of the military in a law enforcement capacity, in violation of Posse Comitatus.

This increased use of the military in domestic roles is especially alarming in light of the permanent assignment of the 3rd Infantry Division's 1st Brigade Combat Team to a domestic "support" role, under command of U.S. Army North (NORTHCOM). That brigade combat team includes heavy armor, artillery, and mechanized infantry elements.
